JUNIOR SCHOOL UNIFORM GUIDE

Welcome to our Blackheath High Junior School uniform guide. With the help of this guide we aim to encourage pride in the school along with a sense of equality.

School uniform gives pupils a sense of community. It contributes to our ethos and sets an appropriate tone, supporting positive behaviour and discipline.

Our uniform has been developed in consultation with pupils, parents, local governors and the local community. Cost is carefully considered in deciding on uniform design and uniform suppliers, and we review contract arrangements with suppliers regularly so that parents continue to get value for money.

Sustainability is considered carefully when sourcing all items of compulsory uniform.

Junior School Uniform Policy

Aims

Our uniform is a positive expression of our ethos and values.
The wearing of our uniform should encourage pupils to treat each other and the school environment with respect. It should support pupils in learning how to dress in a manner appropriate to the activity being undertaken and the environment they are inhabiting.

Communication with Parents

This policy is available on the school website and on Firefly.
We hope this booklet will deliver prospective parents clear guidance on uniform well in advance of the admission of their child. Parents are made aware that if they have any concerns before admission they are very welcome to contact the school and try to make alternative arrangements.

Equal Opportunities

We will seek to make appropriate arrangements to reflect the requirements of different religious faiths with regards to acceptable variations of the school uniform. We are sensitive to and demonstrate a respect for the needs of different cultures, races and religions and their needs are accommodated within this policy.

Health and Safety

Any religious variations to our uniform must still comply with our Health and Safety requirements. To promote a healthy lifestyle, our uniform does not preclude walking or cycling to school. Light colours and reflective materials are incorporated into our uniform, so that pupils are as visible as possible when walking or cycling to school during the winter months.

Uniform Description

School uniform will be worn whenever pupils from Nursery to Year 6 are on site at Blackheath High Junior School. This includes the journey to and from school and on school visits as required.

School Uniform Suppliers

The majority of our school uniform is supplied by Schoolblazer and ordering is available online only. All items in the range can be viewed and then purchased via their bespoke Blackheath High School pages. Guidance on using the website is at the end of this booklet. The following pages clearly identify which items Schoolblazer supplies and which items can be purchased from other stores. You will be advised of your daughter's House to enable you to purchase House relevant items.
